

Are you ready for RTI ?

- Are you ready to submit your EAS?**
- Is your FPS in the correct format for submission?**
- Do you know what to put on your EPS?**
- Is your e-filer up and running?**

All these things are mandatory in the new tax year!

- ❖ **Our staff have been providing payroll services for over 25 years**
- ❖ **We will ensure that your company data complies with all RTI requirements**
- ❖ **We can tailor our security payslips to your business with your company logo and descriptions**
- ❖ **Payslips and P60's can be emailed to your employees**
- ❖ **Our Purpose built software will provide full analysis reporting**
- ❖ **BCS have a BACS payment facility that includes 'hashtag' recording for RTI purposes**
- ❖ **Our Software has a full pension system, ready for the introduction of AutoEnrolment by 2015**

Real Time Information (RTI) is the biggest HMRC change to PAYE in nearly 70 years. Let us help you meet all the new requirements, so you can focus on growing your business.

You can save the RTI headache for under **£500* per year**
